

CLIENT SHORT LIST

HTI's consulting team has completed hundreds of assessments across the globe. Our team of fisheries scientists, researchers, technicians, engineers, and administrators supports all HTI and client project operations in locations as diverse as Alaska, New York City, Finland, New Caledonia, Brunei, Brazil, New Zealand, and around the UK. We work with world leaders in fisheries research and management. A couple of examples include:

Federal State & Tribal Government

U.S. Army Corps of Engineers (USACE) – U.S.
National Oceanic & Atmospheric Administration (NOAA) – U.S.
